

LET THERE BE LIGHT CHALLENGE

Evanston Interreligious Sustainability Circle

Through the Evanston Interreligious Sustainability Circle, we are competing with St. Nick's (an Evanston congregation) to raise awareness of how individual choices make a difference, to support people in changing their ways, and to have fun while switching from incandescent light bulbs to compact fluorescent light bulbs (CFL).

According to the EPA, if every American home replaced just one incandescent light bulb with an ENERGY STAR qualified CFL, we would save enough energy to light more than 3 million homes and prevent greenhouse gases equivalent to the emissions of more than 800,000 cars.

Beth Emet will report our results before the 2008 Earth Month forum in April.

For discounts on purchasing CFLs

and other energy efficiency products,

go to www.faithinplace.org

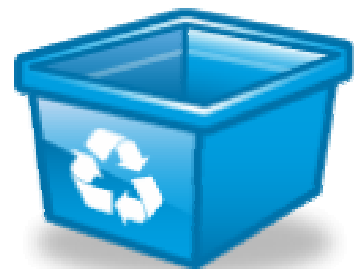

and click on "shop"

Enter the code "shop ip1"

and receive a 10% discount

Remember to recycle your CFLs!

- All Ace Hardware locations
LeMoi Ace, 1008 Davis, Evanston
Free recycling
- Millen Hardware
1219 Wilmette Ave., Wilmette
Free recycling if you buy a new bulb,
otherwise, 80 cents to recycle only
- Ikea
1800 E. McConnor Parkway, Schaumburg
Free recycling
- Chicago Hazardous Waste Recycling Center
1150 N. North Branch, Chicago
Tuesdays from 7 am - 12 pm
Thursdays from 2 pm - 7 pm
First Saturday of every month from 8am - 3pm

Beth Emet Change a Light Bulb Challenge

Please help us reduce our carbon footprint by changing your light bulbs and reporting back your results!

1. Count the total number of bulbs in your apartment/home.
2. Count how many are already CFLs or how many you commit to changing to a CFL.
3. Figure out the percent of light bulbs in your apartment/home that are CFLs.
4. Report your results by filling out and returning this form to the Beth Emet administrative offices or email it to percybgps@netscape.net.

	Total number of light bulbs	Number of light bulbs which I commit to being CFL	Percentage of total light bulbs that are/will be CFL
